The venue itself is built on the edge of the Mediterranean – originally built as a member's only club for Yacht owners but now offering their venue for weddings and events.

As you enter the venue you are greeted with a huge outside terrace area, spanning two sides of the building with glass doors surrounding the building and white sail canopies above. You will feel the warmth of the sun and feel the marina breeze but be protected from the heat whilst you sip a cocktail and gaze out at sea.

The venue offers two different areas for your ceremony, either on one of the terraces, or you can opt to have it on the rocks right next to the ocean, either are ideal for photos and privacy is ensured.

If you prefer to eat al fresco, then this can be arranged. Alternatively, you can dine in our air-conditioned event room. The inside area also has a fully equipped bar and an outside bar can also be set up on the terrace for drinks and canapes after your ceremony

RELIGIOUS CEREMONIES & BLESSINGS

Spain's primary religion is Roman Catholic and any Catholics who wish to marry on the island can follow a straightforward process. You will need to get in touch with your church back home approximately six months prior to your wedding day in order to get the relevant paperwork. The paperwork needs to reach the priest here in Mallorca at least two months prior to the big day. Mallorca Weddings & Events offers a service to assist with this paperwork process, ask your wedding co-ordinator for further details.

For non-Catholics the process is different. You will still be able to have a wonderful blessing ceremony and memorable reception out here after you have taken care of the legal bit in your home country at a registry office.

You can then have your blessing in the grounds of one of our fantastic venues, or if you prefer, in a local church or monastery in the area.

PLACES TO STAY

There is a wide range of hotels, villas and apartments to choose from in Mallorca and depending on what venue you decide to opt for, we can offer recommendations and suggestions for each area.

LOCAL SUPPLIERS

We have a large database of local suppliers we can recommend to you ranging from entertainment, hairdressers, transport, florists, photographers and much more. For further information, speak to your Wedding Co-ordinator.

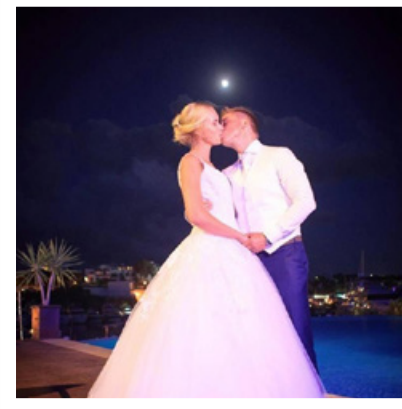

SO WHAT ARE YOU WAITING FOR...?

Mallorca is easily accessible from the UK and other European cities. With a choice of budget airlines flying to Palma Airport from London Stansted, London Gatwick, London Heathrow, Liverpool, Manchester, Dublin, Glasgow and many more, it's straightforward and easy to check out our various different venues before you book.

Why not organise a long weekend or a few days break to come over and see what Mallorca Weddings & Events can offer you? We'd be more than happy to recommend some hotel accommodation and arrange an exclusive viewing of your chosen venue or venues.

For any couple who decide to come and view one of our venues, we are offering an amazing €200 refund deducted from your final invoice if you book your wedding with us at the time of viewing.*
